EDUCATION

NOIDA INSTITUTE OF ENGINEERING AND TECHNOLOGY

Bachelor of Technology in Computer Science

CGPA: 7.9

Greater Noida

November 2020 – present

PUBLIC INTER COLLEGE

Intermediate (XII - UP BOARD)

Percentage: 70

Lakhimpur, Uttar Pradesh

2018 - 2019

PUBLIC INTER COLLEGE

Matriculation (X - UP BOARD)

Percentage: 87

Lakhimpur, Uttar Pradesh

2016 - 2017

EXPERIENCE/INTERNSHIPS

Technology Virtual Experience Program, Deloitte ([Certificate](#))

September 2022 - October 2022

- Successfully completed four pivotal tasks throughout the course of internship.
- Acquired fundamental knowledge in various domains, encompassing coding, data analysis, software development, and the intricacies of cyber security.

PROJECTS

ToDo WebApp – Web Development ([ToDo WebApp](#)) | July 2023

- Html, CSS, JavaScript, React.js and GitHub Pages.
- Developed a feature-rich task management web app using React, React Router and Local Storage. Implemented user authentication and data persistence.
- Implemented libraries like React, React Router for client-side routing.

Volume and Brightness controller using hand Gestures – AI/ML ([GitHub](#)) | April 2022

- Python, OpenCV(cv2), Mediapipe, PyCaw, NumPy.
- This Project uses computer vision and hand gesture recognition to control the brightness and volume of the device. User-Friendly interface provides visual feedback during interaction.

TECHNICAL SKILLS

Programming: Java, Python, Data Structures, JavaScript.

Development: HTML, CSS, JavaScript, MERN Stack, Tailwind CSS, Cloud, Rapid API.

Developer Tools: Git, GitHub, VS Code, GCP (Google Cloud Platform), Prompt Engineering(ChatGPT).

Databases: MongoDB, MySQL.

Libraries: Mongoose, React.

ACHIEVEMENTS

Demonstrated strong leadership and teamwork skills as the co-captain of the school's junior scout team.

CERTIFICATIONS

- Certified in [Introduction to Web Development with HTML, CSS, JavaScript](#) by Coursera. (March 2023)
- Certified in [Object Oriented Programming in Java](#) by Coursera. (March 2023)
- Certified in [Google Cloud Fundamentals: Core Infrastructure](#) by Coursera (October 2021)
- Certified in [Essential Google Cloud Infrastructure: Foundation](#) and [Core Services](#) by Coursera. (March 2022)
- Certified in [Elastic Google Cloud Infrastructure: Scaling and Automation](#) by Coursera. (April 2022)
- Certified in [Introduction to Big Data](#) by Coursera. (July 2023)
- Certified in [Prompt Engineering ChatGPT](#) by Coursera. (Jan 2024)

OTHER INFORMATION

Languages: English (Professional Proficiency), Hindi (Native Proficiency)

Current Location: Greater Noida

Additional Skills: Problem Solving, team building, business communication.
